Meet Jeremy

Future entrepreneur, problem solver, leader

 Following the Australian Government's directive on limiting non-essential mass gatherings to prevent the spread of novel coronavirus (COVID-19), Council wishes to advise that **all Youth Week events** including The QUBE Effect live performances, scheduled to run from 1-9 April 2020, **have been cancelled.**

- **Cancel** non-essential group activities such as study visits, **extra-curricular activities**, camps and sporting events.

mean that the 2020 STEM Research Internships **will not be able to go ahead** in the April school holidays.
